

Live Cohort

Assignment: 1

Assignment

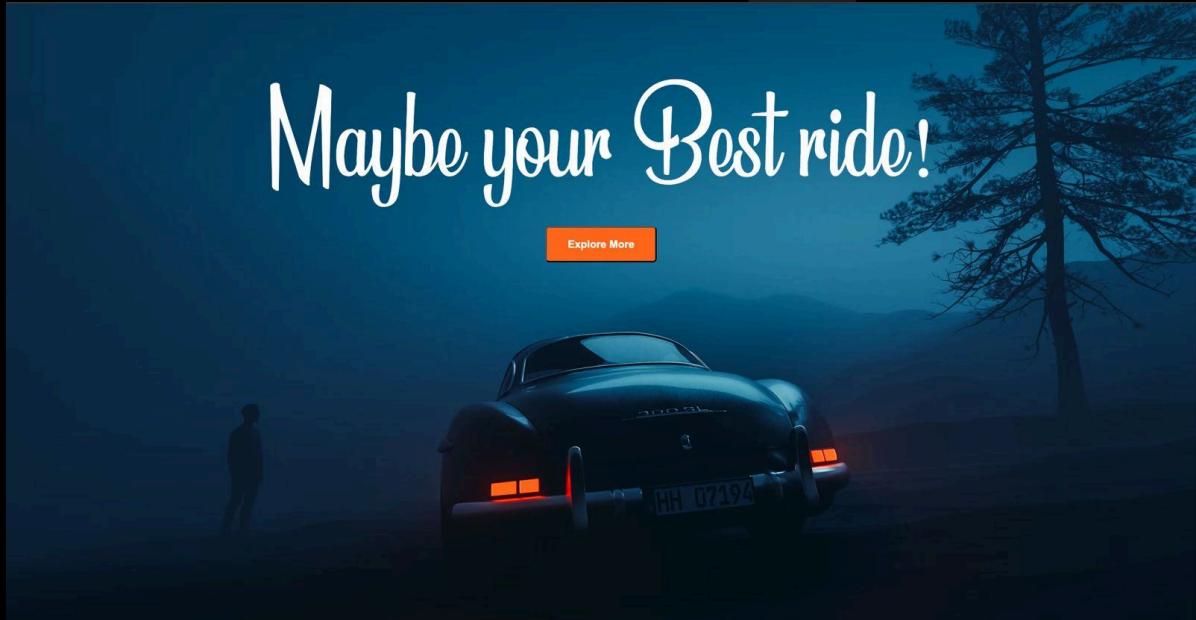

Task Description

Create a Hero Section for a website similar to the given example.

Requirements:

1. Use a full-screen background image (you can use any image of your choice).
2. Add a main heading in the center (example: "Maybe your Best ride!").
3. Place a CTA Button (Call to Action) below the heading (example: "Explore More").
4. Center everything using Flexbox or CSS Grid.
5. Use Google Fonts for styling the text (choose any attractive font).
6. Add hover effect on the button (e.g., change color or scale slightly).

For Reference

Assignment

Hints:

- Use height: 100vh; for full-screen background.
- Use background-size: cover; background-position: center;;
- For button hover, try:

```
1 button:hover {  
2   background-color: darkorange;  
3   transform: scale(1.05);  
4 }  
5
```
